THE WORD OF LIFE

A MESSAGE TO OUR PASTORS AND PEOPLE FROM THE PRESIDENT OF GENERAL SYNOD

Writing to the Church at Philippi, the Apostle Paul in chapter 2, contrasts the children of God with a crooked and perverted age. It has always been true that when the followers of Christ have been most keenly aware of this contrast, they have also been most ready to rely fully upon God; knowing that it is He "which worketh in them both to will and to do of His good pleasure." It was so in the primitive Church. We find it true again after the fall of the first Christian civilization, that of Rome. And it was true in the days of the Reformation, which followed the collapse of another Christian civilization. If then the Church of Jesus Christ in our day is aware that it does not live in a friendly world, but rather in a world with which it finds itself ever in conflict, dare we not assume that this is a sign of an awakening to a new recognition of the high mission given unto the Church.

There are abundant signs in the Church of our day indicating that we may look forward with expectant hope to such an awakening; yes, that it is at hand. The representatives of the Church, assembled at the two great ecumenical conferences held in the summer of 1937, recognized as the first

duty of the Church that it examine its own life and challenge its members so to live that they might be found "without any murmurings and disputes, that they may be blameless, harmless, the sons of God, in the midst of a crooked and perverse nation (age), among whom ye shine as lights in the world, holding forth the word of life." It was this which gave these conferences their great significance.

The contrast of which the Apostle speaks as existing between the children of God and a crooked and perverse age, suggests the fundamental difference between men. It is greater than the contrast between rich and poor. It is more basic than that between the educated and the uneducated. It cuts deeper than class, national or racial distinctions. It means, on the one hand, living for that which is immediately desirable; and on the other, a reaching out for the wider and higher outlook, for enduring ends, for far-off goals; for that which we know to have eternal value. The children of God are seekers not after things, but after life. In them God is at work, inspiring their will and their action. Therefore they are called the children of God. They have

the same attitude toward life which Christ Jesus had. They are children of God precisely because they have come under the power of the word of life. It has laid hold on them. They need indeed to be admonished to be blameless and honest and faultless. There is no perfection in them. And yet by the grace of God they are like stars in a dark world. They offer men the message of life.

Therein consists the glory of the Christian life. This is the wondrous privilege which is ours as an Evangelical and Reformed Church, that we are commissioned to offer men the message of life. We would put it first in the program of our Church. He who in His own person is this message, even Christ, is at work, through His Spirit, in the whole Church. And through the whole Church the word of life must be brought to the whole world.

Just because our day is facing a world which can be described in no better way than in the words of Paul, as "crooked and perverse"; and because the hope of bringing this world under the influence of the word of life seems, from the point of view of the individual, or even the separate denomination, so hopeless, therefore the present day longing for reunion of the Church, the body of Christ. It has laid hold on the minds and hearts of the children of God of our generation. Conscious of the responsibility which rests upon it, to carry its witness to the whole world, the Church has remembered the prayer of the Lord, "That they all may be one—that the world may believe that Thou hast sent Me." As children of

God, whose wills and actions were inspired by Him, we of the Evangelical and Reformed Church have banded ourselves together into one family. Ours is a common faith and a common God-given message.

We have spent four years in preparing ourselves for our united task. These four years were nevertheless years of uninterrupted witness-bearing through the local Church and the various agencies of the denomination. The General Synod of 1938, at Columbus, has given us a mandate to translate into action the planning of the years just passed. Upon the request of the interested Classes and Districts, the majority of the new Synods are to be established within the year. We hope that at an early date the action of the remaining Classes and Districts will enable us to complete this portion of our task. The various Boards and Commissions of the Church have received authority to unify their work as soon as this seems practicable. Even now the united Church is functioning through the following agencies which have a completely unified responsibility: the Board of Christian Education and Publication; and these Commissions: Evangelism, Christian Social Action, Higher Education, Benevolent Institutions, and Judicial. To this list we are glad to add the Churchmen's Brotherhood as an auxiliary organization. We look forward with great confidence to an increasingly closer co-operation and, so far as possible, a unification of the work of the remaining agencies, so that 1940 may find the Church prepared to go forward with an undivided program.

Marshall R. Anspach, Esq. Williamsport, Pa.

Dr. D. A. Bode Philadelphia, Pa.

Fred W. Diehl Danville, Pa.

J. H. Eisenhauer Reading, Pa.

There are indeed still many perplexing problems before us. The members of Boards and Commissions entrusted with their solution will need the guidance of God, the sympathetic understanding, the wholehearted support and the prayers of the whole Church. Whether, however, we succeed, from an organizational point of view, in perfecting our union in every respect, or whether we will find it necessary to continue for a little while longer to function through existing agencies, we know ourselves a united Church, putting our hands to a common task. As a Church we will continue to offer unto men the message of life. We will do this through the preaching of the word to the local congregation and faithful pastoral care, through National and International Missions, Christian Education, Evangelism and Christian Social Action, which latter includes the work of the Board of Pensions and Relief.

I may presume to speak for all whom the General Synod at Columbus has called into the larger service of the united Church. We are deeply con-

scious of the tremendous responsibility which rests upon us. It is only as God gives us strength and the whole Church gives us its sincere co-operation and support, that we dare hope to attain a measure of success. The General Council, created by General Synod, desires through its Committees: Administrative, Promotion and Correlation, and Budget and Finance, to be genuinely helpful. All are to stimulate the life of our beloved Church. We are confident that we shall have in this endeavor the good will of all who with us are members of the same household of faith and whose will and whose action are inspired by the Spirit of that God Whose we are and Whom we serve. If such is the spirit with which we enter upon the work of 1939, we are confident that we shall not labor in vain. Then the world will not be quite so dark. There is hope for the world. Under God, invincible, life-redeeming forces are at work in a crooked and perverse age.

L. W. Goebel,
President of General Synod.

THE GENERAL COUNCIL OF THE GENERAL SYNOD

Our Evangelical and Reformed Church has taken very decided steps forward during the past year. The united Church has worked on the basis of the Plan of Union during the four years since the merger. An Executive Committee, provided for in the Plan of Union, administered some of the work and applied itself to the unification of all of the agencies of the Church and their work. A Committee on Constitution and Charter, likewise provided for in the Plan of Union, prepared a constitution, with by-laws, which went through the fire of just criticism of Classes and Districts.

Dr. G. W. Grauer Cincinnati, Ohio

Ralph H. Jordan Burlington, Iowa

Dr. John Lentz Collegeville, Pa.

Rev. E. F. Mayer Detroit, Mich.

After amendment and further amendment had been made by the Committee and then by the General Synod, it was adopted practically unanimously by the General Synod and was approved by almost all of the Classes and Districts.

The Constitution was declared adopted by the General Synod at Columbus last June. The delegates to the General Synod of 1940 will be chosen in accordance with that Constitution by the Synods which have been created by the General Synod and which are to be organized in the coming months.

The Constitution is not to go into effect until 1940, but the General Synod enacted as original resolutions certain sections of the Constitution and By-Laws that are consistent with the Plan of Union. One of the most important of these was to set up the General Council, consisting of the five officers of the General Synod, four "E" and four "R" pastors, and four "E" and four 'R" laymen. This General Council has taken over all of the work that had been done by the former Executive Committee, with the added duties prescribed in the Constitution. The Committee on Constitution and Charter was continued by the General Synod, since there are still many matters to be attended to, especially in connection with the organization of the new Synods and their relation to the former "E" Districts and "R" Synods and

Classes. It will therefore work in close cooperation with the General Council.

The General Council has begun its work auspiciously. It has set up its three committees, Administrative, Finance and Budget, and Correlation and Promotion. These sub-committees are actively at work. The Administrative Committee is immediately concerned with the organization of the new Synods. Every step must be and will be taken carefully. The Committee on Finance and Budget is making a thorough study of the denominational finances and especially of the responsibilities of the two former Churches. The Committee on Correlation and Promotion has a prodigious task ahead of it, for one of the primary objects of the merger of the two former Churches was that unitedly they might work more effectively in building up the Kingdom of God. Unfortunately, the budgets of the two groups must be kept separate for the next two years, but the General Council is unanimous in the opinion that earnest efforts must be made to secure these budgets in full-to have every congregation pay its Apportionment for Kingdom Service in full.

The General Council needs and expects the prayerful interest and support of the entire Church in the work entrusted to it for the next two years.

THE CHANGED STATUS OF THE CHURCH PAPER

All members of our denomination should know that the status of The Messenger was changed by the General Synod, which met in Columbus last June. Up to date, The Messenger has been published jointly by two Boards of the merged Church, the Board of Publications (E), and the Board of Christian Education (R). Beginning with 1939, these Boards will be relieved of this responsibility, and in accordance with the new Constitution, approved last June, The Messenger will be published under the supervision of the General Synod itself. In the interim, between the meetings of the General Synod, the Administrative Committee of the General Council has as one of its duties the supervision of the work of the editors of the Church paper. This puts the entire denomination behind The Messenger more directly than ever before, and is a challenge to all loyal members of the Evangelical and Reformed Church to rally to the support of our official Church paper.

The number of subscribers, now about 20,000, must be greatly increased if the paper is to be put on a paying basis. As the General Synod becomes responsible for any deficit, it is in the best interests of all our pastors and people to wipe out the deficit by proper support. The number of congregations which put the Church paper on their budget and see to it that it becomes a weekly visitor in every Church home ought to be increasing each year, until we secure a united determination of pastors and people to make *The Messenger* one of the most widely circulated, as well as one of the best, denominational papers in America in quality and influence.

NATIONAL MISSIONS

According to the action of the General Synod at Columbus, Ohio, the work of Home Missions during the current biennium is to be administered as heretofore under separate Boards, but these Boards are to merge as soon as possible. While, therefore, the Boards have not legally merged, the work itself is gradually being unified. Definite mergers have taken place in a number of fields. These will likely be increased in coming years.

All new work is to be undertaken and carried forward on a joint basis. Thus gradually the whole Home Mission enterprise will be brought under one new administrative agency which will be known as the Board of National Missions.

The work of Home Missions in both "groups" has ever been regarded as a vital and vitalizing factor in the extension of the Church. Through the activities of the Home Mission agencies the

Church has followed the members of our own households of faith as they have migrated and settled in different parts of the country and has supplied them with the privileges of the Gospel. In this way these widely scattered communities have been conserved to the Church and in due time have developed into strong and efficient congregations. Through these agencies also neglected areas have been brought under the influence of religion and souls have been won for Jesus Christ. At present there are something like 250 mission stations whose existence is made possible largely by the aid which the Boards of Home Missions are able to give them. More than 25,000 men and

women, besides an equal number of children in the Sunday Schools, are thus offered religious opportunities in the development of their spiritual lives.

Many of the Church buildings in which these mission Churches are worshipping were made possible by loans and grants furnished by the Home Mission agencies of the Church. About two million dollars are invested by the Boards in these properties. Most of this money constitutes a revolving fund, which means that as repayments are made by the missions which now enjoy its use, it is made available for others who may be in need of help.

In addition to the founding and fostering of Churches, the Boards are engaged in promoting certain definite projects of a distinctively missionary character. These projects are the work among people in the Missouri Ozarks, among the fishermen at Biloxi, among the natives and summer residents of lonely Madeline Island in Lake Superior, among the seamen in Baltimore, Md., and among immigrants in the Harbor Mission in New York City. The definite projects include work among certain distinct nationalities, such as the Hungarians, the Japanese, the Czechs, the Volga Germans, and the Indians.

Two other types of Home Missions work are being stressed. One pertains to the city and the other to the country. It is becoming quite apparent that the modern city is presenting a new challenge to the Church. Here is where conditions call most loudly for Christian service and where

multitudes of people in need of the Gospel abound in largest number. Already through the Evaneglical Federation of St. Louis, a distinct City Mission work, the Caroline Mission, has been established in that city. This Mission employs a staff of seven workers and seeks to minister to the physical, educational, and spiritual life of the people who come under its influence. In addition two city missionaries are engaged for work in the public hospitals and other city institutions. This type of ministry partakes somewhat of the Inner Mission work so popular in some European countries. Similar missions are to be opened in other large cities of America, and thereby the Boards feel they will be rendering the cause of Christ a distinct service.

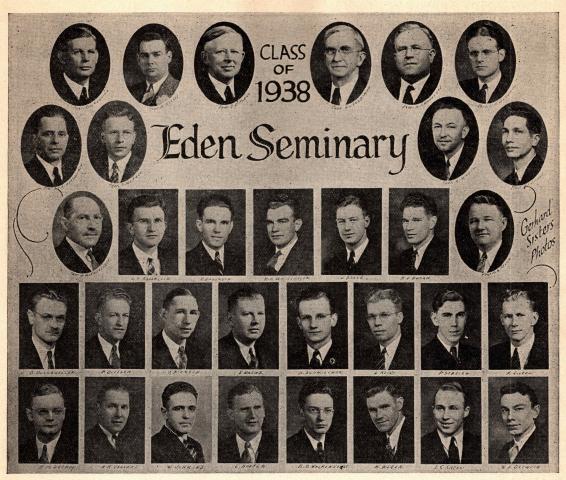

No less challenging is the new Home Mission work that waits to be done in many of our rural communities. Here the problem is one largely of readjustment. Modern social and industrial conditions have put a severe strain upon the rural Church. Many of them are being abandoned: others are so small that they cannot function effectively. A re-

study of the whole rural situation must be made with a view of arriving at a new strategy to revitalize the country Church.

The fact that more than 60,000,000 persons in America are not registered in any kind of religious fellowship would indicate an urgent call to the Church to engage in a more aggressive type of evangelism, so that these multitudes may root

their lives in Christ, and all of society become pervaded by a Christian spirit and influence.

The task of Home Missions thus assumes larger proportions than ever before. It calls for more heroic service and for a larger number of workers. This will naturally involve a larger outlay of money on the part of the Church as a whole. The work of Home Missions has never been adequately supported. The present budgets of the Boards are

not commensurate with the vastness and variety of the enterprise. The united Church has a membership of 645,000, and a Home Mission budget of \$480,000 annually, which is considerably less than one dollar per member. While this is the budget, the actual giving towards the same is very much less. When the Church fails to provide the funds the work must correspondingly suffer.

In order to educate the Church in this large enterprise and to stimulate to larger giving, a Missionary Education Department in which several other agencies of the Church are cooperating, has been established.

The Woman's Missionary Society and the Women's Union have proven valuable auxiliary agencies and have contributed substantial sums of money for the support of the work.

The Messenger brings weekly reports and news items from all the home mission fields, and the Outlook of Missions brings monthly news from the field and other necessary information.

The fact that one-tenth of the ministry in the Evangelical and Reformed Church are engaged in Home Mission work and are thus dependent upon the Church at large for at least a part of their support, should constrain our entire constituency to supply the funds needed to make the service they render possible.

The further fact that the Church can develop only as its outposts are properly manned and sustained, should be another incentive for the Church at large to support this work liberally with its prayers and its money. No Church is ever stronger than it is on its fringes, and only as its frontiers are extended can its expansion be realized.

A missionary-minded Church is a moving Church. The Church was never intended to be a static concern. It must ever be on the march. It must be a militant Church before it can be a triumphant Church.

The Home Mission forces have always formed the vanguard of the Church. They are its pioneers, seeking to occupy new areas and achieving new conquests for Christ. The Church at large dare not trail behind in these new ventures.

The united Church faces a great opportunity in the field of Home Missions. A great Forward Movement in this department of its work should be launched at an early date. Strategic centers are waiting to be occupied. In the degree in which this primary task is accomplished can the Church hope to make progress in all other respects.

In October of each year a special Home Missions Emphasis period will be observed, when the

claims and the needs of this great enterprise are being presented as a fresh challenge to the Church.

The full payment of the Apportionment will supply the means to make possible the achievement of the task which has been assigned to the Board of National Missions.

INTERNATIONAL MISSIONS

In the Year Book of 1938, emphasis was laid on the fact that through the merger of the Evangelical Synod of North America and the Reformed Church in the United States, the united Church was in very truth carrying out the Master's command to carry the Gospel "unto the uttermost parts of the earth." Our fields included India, Japan, China, Honduras and Iraq. There remained one great continent, however, in which the Evangelical and Reformed Church officially was doing nothing to help build the Kingdom of our Lord and Master. This continent was Africa. The General Synod which met in Columbus, Ohio, June 22-29, 1938, however, authorized the Board of International Missions to begin work in the Gold Coast colony and Togo areas of West Africa. Thank God for this decision, for thereby another step has been taken in obedience to our blessed Master's command to "preach the Gospel to every creature."

THE HOME BASE

At the recent meeting of the General Synod the "Board of International Missions," which is composed of the officially designated representatives of the two Boards of Foreign Missions, was instructed to continue its activities preparatory to the final merging of the two Boards. Much valuable work has been done during the past year and much more is planned for the coming year.

By action of the General Synod the period from January 6th to the second Sunday in February is designated as a season set apart for Foreign Missions emphasis. All congregations are requested to use this season as a time for study and special presentation of the cause of International Missions. The second Sunday of February, or some other suitable Sunday, should be set aside for "Foreign Mission Day."

The Foreign Mission enterprise faces a critical

and challenging world situation today. This situation compels the Christian Church to give most serious consideration to the present state of the world and to the Church's own responsibility. The Church cannot stand aside from the affairs of the world. The policy of spiritual isolation is both futile and un-Christian. To witness with renewed devotion to the efficiency of the Gospel of Jesus for the solution of every human problem in every land is the imperative call to all the followers of Jesus Christ.

INDIA

General

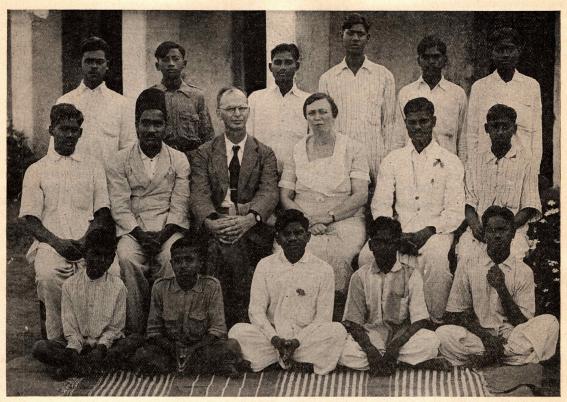

It may be asked what, in a very few words, is our task as a Church in India, the land that is sometimes referred to as the mother of religions. It can be expressed under the following four heads:

- 1. To carry to the people of India the good news that in Jesus Christ men are saved for this life and for the life to come.
- To help men to so relate themselves to Jesus Christ that their life may become transformed through His Holy Spirit.
- To found Churches for the nurture of Christian faith in the new converts and as the channels through which the Gospel may again be carried into non-Christian areas.
- Through Christian philanthropy to prove to the world that God loves men and desires them to have life and to have it abundantly.

It is in the pursuance of these objectives that the missionary work of the Church is expressed in evangelism, Christian education, the Church, medical work and philanthropic institutions.

Evangelism

Direct evangelism through the witness of fulltime workers and Christian voluntary workers has been greatly blessed during 1937-38. The hearts of India's people were never more favorably in-

clined to the Christian message than now. This is the day of Christian opportunity. In sections of India, great mass movements are taking place. In Chhattisgarh, our own field, there are hopeful signs of an awakening interest in the Gospel which are encouraging the Christian forces to press onward with new courage and hopefulness.

Educational Work

"Teaching them to observe all things, whatsoever I have commanded you" is Jesus' admonition to His Church. Through direct evangelism in the villages and through schools among the youth of India, this admonition can best be carried out. Through direct Bible study and the permeation of the entire curriculum with a Christian spirit, the more than 4000 pupils in our day schools and the 5000 pupils in our Sunday Schools are subjected to the influence of Jesus Christ, our Lord. The Church

The Church in India has added to its membership during the past year 608 new members. The plans for the merger of the India Mission District of the Evangelical and Reformed Church with the United Church of Northern India have been officially approved. The Church on the field is taking the necessary steps to bring about this merger immediately. We may hope that this union will greatly aid in making the Church in India a truly indigenous one.

Medical and Philanthropic Work

This branch of work is a most important part of the general program of the Church. Our 10 dispensaries and hospitals in the India field took care of 13,678 new cases and administered 96,728 treatments and performed 977 operations. In the leper hospitals and clinics in which our Church

cooperates, there were given 23,970 hydnocarpus oil injections for the treatment of leprosy and the number of specimens examined in our laboratory were 6,335. Through homes for the blind, the widows and the orphans, expression was given to the spirit of Jesus Christ which had compassion on the people and bore their weaknesses and sorrows.

JAPAN

The Japan Mission reports that, although the Japanese nation is filled with an intensely nationalistic war spirit, there is nevertheless an undercurrent of deep spiritual searching. Both the missionaries and the Japanese Church are called upon to face issues and live under circumstances which are difficult in the extreme. Our missionaries in their reports plead for American Church sympathy for the kindly people of Japan. As one of our missionaries says, "The ordinary man of the street in Japan has no more to do with this war than you or I." Our missionaries are unanimous in their opinion that Japan never needed the Gospel more than it needs it today, and are urgent in their appeal that the Church should not slacken its efforts for the preaching of the Gospel in Japan now because of what Japanese militarists are doing. If there was a call for the Gospel in Japan 50 years ago, it is all the more insistent today. In addition to this, our Japanese Christian brethren need our sympathy, support, love and prayers as never before.

Evangelistic Work

In the evangelistic work the present situation

New Chapel Auditorium of Miyagi College, Sendai, Japan

is summed up in quotations from two letters. One of our oldest evangelistic missionaries says: "The next few years will undoubtedly tell on this country, and more than ever will the love and guidance of Christian men and women be needed to avert moral disaster." A paragraph from a letter of the officers of the North Japan Newspaper Correspondence Evangelism office to the secretary of the Board is most significant. These officers are some of the outstanding pastors and Christian leaders and teachers of North Japan. The letter in part reads thus: "If we face the facts honestly and frankly, we can come to no conclusion but that there has never been a time like the present when Japan needs the Gospel so desperately. It will save us from future crises, from our narrowminded prejudices, and lead Japan side by side with other nations of the world toward real peace. For there is no other power save that of the Spirit of Christ that can do it. . . . We sincerely hope that our brothers and sisters who live beyond the ocean will continue to grant liberal and sympathetic support to this work, and especially do we desire your fervent prayers and future leadership."

The Educational Work

North Japan College has a larger enrollment than ever, 1162 students, and is being skillfully guided through very serious times and circumstances by the wise leadership of its Japanese president, Dr. T. Demura. Recent reports indicate that the war in China has not materially affected the work of the school. Everything is progressing very much as usual.

The outstanding feature of our educational work during the year 1937 was the erection of the new chapel-auditorium for Miyagi College. During the past year, through the generosity of the Woman's Missionary Society, a new chapel-auditorium was built and dedicated on January 30, 1938. It is so arranged that the entire student body can be seated in the gallery, while the main floor of the auditorium can be reserved for guests. For the first time in its history Miyagi College now may have present at its Christian functions the parents and friends of the girls of the school. The Christian opportunities made possible by this new building will contribute greatly in future years to the Christian efficiency of Miyagi College.

CHINA

Never were the prospects brighter for the spread of Christianity in China than during the year 1936. Much of this Christian hope and optimism has been blasted by the withering devastation of war carried on with unusual cruelty by the modern methods of militarists. Very fortunately for the Evangelical and Reformed Church our China Mission is located far inland in the Central Province of Hunan. The heart-rending destruction which befell Christian missions along the coast cities has not been experienced by our missionaries. Of course, all of our work is influenced by the general atmosphere of the conflict. However, the area of hostilities is approaching our field and no one knows what the year has in store.

When it began to be evident that serious military operations were in the offing, the Board took the precatuion of evacuating all the mothers with small children from the China mission field. Any other missionaries who wanted to leave were given the privilege of doing so, and those who stayed in China did so definitely of their own choice and with the understanding that they were ready and willing to face the rigors of war. Let it be said to the honor of our missionaries that with practical unanimity of courage and devotion those who had no young children or special family cares

A group of Christians baptized at Niehkiashih, Yochow field, China

decided to stay. No one knows the extra work that has been heaped upon individual missionaries who stayed by their posts, especially in Yoyang. Everyone of our missionaries is doing several persons' work.

In spite of all the confusion of the present time, the China Mission has had one of the best years it has ever had. Every department of the work is prospering.

Evangelistic Work

Our evangelistic missionaries report intense and unusual interest in the spiritual affairs and in

the message of the Church. The outspoken Christian stand of Generalissimo and Madame Chiang Kai-shek and a great many other Christian leaders of the Chinese nation has had a very definite influence upon the Christian movement in China. Many people who would not otherwise have heard or paid much attention to the Christian message are now making inquiry as to what it really is. Then too, the flight of so many people from the older eastern coast cities of China where Christianity has been known longer than in the interior, has sent out a great group of Christian leaders from the eastern metropolitan centers to smaller places in the interior. These Christian people have taken the Gospel with them. The history of the Apostolic Church is being repeated: "They therefore that were scattered abroad went about preaching the Word."

The Educational Work

Our four high schools, Huping and Eastview Schools for boys, and Ziemer Memorial and Chenteh Schools for girls, are filled with students. Our difficulty is to accommodate them. Report comes that our primary schools associated with these high schools are larger than ever. While the older schools at Yoyang, formerly Yochow, have large enrollments, yet a great many students were not permitted to return to these schools because the city is on the main line of the railway between Hankow and Canton, which is frequently bombed. However, the schools in the interior, in the city of Yuanling, formerly Shenchow, are crowded to overflowing. Central China College, at Wuchang, Hupeh, the union institution in which our educational work of collegiate grade is carried on, has been removed to Kweilin, 500 miles southwest. The Medical Work

All hospitals in China these days are filled to the limit. This is true of our own Hoy Memorial Hospital at Yoyang and Abounding Grace Hospital at Yuanling. Reports from each of these hospitals tell of the need for more beds and more space for service to the sick in Christ's name. The great influx of refugees from coastal regions has sent medical people and nurses back into the interior, which is of decided assistance to the smaller hospitals in the interior provinces. Each of our hospitals ought to have some extra support these days in order to enable them to take advantage of new opportunities for service.

The Crisis in China

In all this commotion of war and in all the subsequent sufferings which accompany it, the Christian Church of the world can be proud of the record of the Christian Church of China in this emergency. The Christian Churches have been in the forefront in every effort for the alleviation of human suffering of body, mind and soul. Missionaries in war-stricken areas, especially Christian doctors and nurses, have stayed at their posts through unbelievable difficulties. Christian missionaries and pastors have organized refugee and relief work with astonishing success. The Chinese people know this and they will not forget. From all over China come expressions of admiration and appreciation of what the Christian Church is doing in this crisis. It is possible that God may yet cause the wrath of men to praise Him.

HONDURAS

Two members of the Board of Foreign Missions visited the Honduras field in February, 1938, and brought back reports of splendid progress made in this difficult field. The work of our Evangelical and Reformed Church in Honduras is carried on from San Pedro Sula, which was founded in 1921; Yoro, founded in 1934, and Pinalejo also founded in 1934. Other centers of missionary work are

Miss Louise Kurtze, new missionary to Honduras

Miss Elisabeth R. Calverley, New Missionary to Iraq

La Lima, headquarters of the United Fruit Company in Honduras, and Porto Cortez, one of the principal ports of the north coast.

Until additional railroads and motor roads are built, travel in Honduras will continue to be difficult and tiring. Our missionaries use to the fullest extent the modern means of travel, such as railroad and motor car, but depend greatly on mule-back travel to reach the outlying districts.

In San Pedro and Pinalejo Christian schools have been opened and their influence is beginning to make itself felt in the whole northern coastal area. A Theological Seminary has recently been opened to prepare additional native evangelists.

The medical work in Honduras has been interrupted through the leave of absence of our medical worker, Sister Hulda Sturm. Our other missionaries are, however, continuing as best they can to serve the sick and needy.

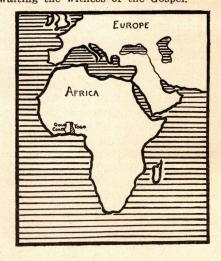

A very real challenge comes to the Church of the homeland to extend its influence in the still unoccupied part of our territory in the Department of Alantido along the Caribbean Sea on the north coast of Honduras. It offers splendid opportunities for mission work but has thus far been only rarely visited by one of our missionaries. It should have a resident missionary soon.

IRAQ

The missionaries of the Evangelical and Reformed Church in Iraq are associated with the United Mission in Mesopotamia, a union mission with the Presbyterian Church and Reformed Church in America, and are located in the cities of Baghdad and Kirkuk. Iraq is at this time very naturally profoundly influenced by the disturbing nationalistic aspiration of the Arabic Moslem countries of the Near East. It is an exceedingly difficult mission field at all times, but especially so today. A sentence from the annual report of the United Mission in Mesopotamia sums up the situation: "In these days, when so many factors tend to concentrate the attention of the people on nationalism, especially the political and economic aspects of it, with the increasing emphasis on racial discriminations, we dare not relax the effort to call men to the discipleship of Christ and nations to the one true Kingdom which knows no distinctions of race."

AFRICA

The field in Africa toward which the Board of International Missions is looking, lies in the Gold Coast and Togo area of West Africa. A Church of 54,000 members has been established through the work of the North German Mission. This mission has invited the Evangelical and Reformed Church to enter the field to help this growing Church in the education of its pastors and teachers and to share with it its spiritual resources. A large non-Christian community is adjacent and is awaiting the witness of the Gospel.

CHRISTIAN EDUCATION

Because the merger of the work of Christian Education in our new Church had advanced so far and so satisfactorily, General Synod, at its Columbus meeting, chose to elect a single Board of Christian Education to supplant the former three boards which had been functioning cooperatively for the past two years. This new Board holds the distinction of being the first duly elected administrative board of our new Evangelical and Reformed Church. A list of its members may be found in another section of the Almanac under the heading "Boards and Commissions." This new Board of Christian Education has been charged with the supervision of the general educational

work of our Church and the responsibility to continue for this biennium the operation of the Schaff Building and the Heidelberg Press.

Because of the character of its service perhaps no other board of the Church is privileged to work so intimately with the people of our local Churches and Church Schools as is the Board of Christian Education. Through its expanding program of camp and summer school work it touches the lives of over two thousand persons each year. Through its winter leadership education it reaches several more thousand men and women, who, in their respective Churches, again exert an influence on another vast group. Through the Board's Youth

Department it serves a potential constituency of over two hundred and fifty thousand young people, helping to guide them both in Church School and society toward more "abundant life." Through its Field Department the Board offers special service to Church Schools-helping them, on home soil, to solve some of their perplexing educational problems. And finally through its Editorial Department the Board prepares and publishes many different kinds of lesson materials, hymnals and books of all types for use by pupils and teachers in our Sunday Schools. It also publishes Christian age-group magazines for the personal reading and enrichment of children, young people and adults. On January 1, 1938, a new series of these latter publications was launched, and in this short span of a few months these new magazines have been accorded an unprecedented reception. Even folk of other denominations acclaim them as outstanding contributions to Christian personality development. A picture of some of these new publications is carried on these pages. Every Church School will do well to avail itself of these extraordinary helps in developing the Christian way of

But in addition to the service rendered by these four major departments the Board maintains and

operates a Service Library whereby it makes available to all Church School leaders throughout the denomination the best Christian educational books and helps obtainable. These volumes are sent anywhere in the United States, and there is no charge for this service. The Board likewise operates a Bureau of Visual Aids through which it further makes available to local Churches an Art library, a Stereopticon Slide Collection, and a series of Motion Picture Films-all of these on either a loan, rental or sales basis. The Board's Personal Guidance Service offers to all Churches and Church Schools, to teachers and officers, to youth organizations and to adult groups information and help in response to inquiries received. The volume of such correspondence totals over ten thousand letters annually.

MINISTERIAL PENSIONS AND RELIEF

BOARD OF PENSION AND RELIEF-"E" GROUP

Prior to the present government administration many folks had never given the subject of pensions very much thought, for it was something quite removed from their scope of activity. Thus to many the innovations of the present social security program were unheard of regulations and promises. But in contrast to this let it be said that the Christian Church has for many years been laboring with the problem of pensions and retirement. In the Evangelical Synod it was in the year 1910 that a definite system of pensions was established, one which has brought much joy and

satisfaction to the members of our Church and its ministry.

It seems hard to realize, but in the year 1937 this Board had upon its pension and relief list no less than 164 pastors, 269 widows and 15 children, to whom was paid the total sum of \$110,400.80. This money comes from the return on our endowment fund, which now totals almost a million dollars; the premiums of the 821 active pastors who are members of the Fund; the special gifts to this cause from members of the Church, and especially the Women's Union; the receipts from the synodical budget, and also a special designation from

Eden Publishing House. We are hoping that we shall reach the million dollar mark in our endowment fund before the two pension boards are merged, and plead with the members of the Church not to forget this cause with gifts, and especially with bequests in your wills. This endowment fund is to remain in perpetuity and will continue to be a permanent source of blessing to those who reach the age of pension or retirement.

We shall never cease writing about our Pastors' Homes at Blue Springs, Mo., and at Bensenville, Illinois. At these two city suburbs we have a total of 17 cottages, which are occupied either by a retired pastor and his wife, or by a pastor's widow. They are furnished rent free to these folks, who can spend here the evening of life amidst the splendid surroundings of these Homes.

Several of these cottages are memorials, given in loving tribute of a departed one. Can you imagine a more appropriate or useful gift; one that through the years shall continue to be the home of a retired pastor or pastor's widow? The Board will gladly furnish information on this subject to anyone interested.

We are looking forward to the dawn of a new day in pensions in the united Church; a day when we shall be able to grant even more compensation to our pastors upon retirement, so that they who have labored for us so faithfully, may be able really to enjoy the sunset of life and gratefully

feel that the Church has also been faithful to them. The new Church Pension Fund promises to meet this challenge and we trust that as it is being considered by the Churches and pastors, it will meet with ready acceptance and go into effect with the General Synod of 1940.

Silas P. Bittner, Chairman.

BOARD OF MINISTERIAL RELIEF—"R"
GROUP

Relief and Pensions have made great progress during the last quarter of a century. Today the common conviction is that no one in our country should be without the necessities of life, and every one should have financial security in time of

have financial security in time of disability or old age, which should be extended to his dependents in time of death. Therefore the care of our ministers, whether active, aged, or disabled, is the first duty of our Church. Our Church should give our ministers a living salary when they are in active service; and adequate support when they become aged or disabled, especially because our Government has not provided

We believe that the General Synod of 1936 was right and humane in its declaration that "our Church should provide \$1,000 a year for an aged or disabled minister and his wife; \$700 for an aged or disabled minister; and \$600 for a widow of a minister." By this yardstick the Reformed Church has not provided a floor under its Ministerial annuities, because it enabled its Board of

social security for them.

Rev. David W. Ebbert, D.D. Age 85—Ordained 1876

Ministerial Relief to give an average of only \$204.62 a year to 403 Relief and Sustentation annuitants during 1937. One of the great needs of our Church is adequate Relief and Pension annuities, such as are provided by the Protestant Episcopal Church and the Presbyterian Church in the U. S. A.

However, we are glad that the Board of Ministerial Relief of the Reformed Church always has been aggressive and has worked without ceasing to increase the annuities of its aged and disabled ministers and the widows of its ministers. During 1937 the Board helped the largest number of veteran ministers and widows of ministers in its entire history. To 490 Relief and Sustentation annuitants it gave \$82,462.79. Up to December 31, 1937, the Board paid \$1,123,398.98 in annuities to 919 veteran ministers and their widows and minor orphan children.

We regret that we have come to the close of a noble adventure in the Reformed Church; but we rejoice in the prospect of a more beneficent future in the Evangelical and Reformed Church. The past of Ministerial Relief in our beloved old Zion is glorious, despite its slow progress; but the future of Ministerial Relief in our new Zion will be more glorious. A new and better day for Ministerial Relief is dawning. The harvest is ripe. All that we need is more laborers to put in the sickle and to reap the ripened grain. We put our trust for a more glorious future of Ministerial Relief in our kind Heavenly Father, in our brother ministers, and in our fellow members of the Evangel-

ical and Reformed Church. Surely God will richly bless every devotee of our holy cause, as He has done in the past.

Our Board of Ministerial Relief and the Evangelical Board of Pension and Relief, after most pleasant conferences have mutually agreed to consolidate the work of the two Boards under the new Board of Pensions and Relief as soon as possible after the new Board is elected by the General Synod. The plan of union has been carefully worked out and is ready for presentation to the General Synod in 1940. The proposed Charter of the new Board fully protects the money, property, and benefits of each Pension Fund, and provides for the Relief annuitants of each Church Group. The new Church Pension Fund has been drafted by experts, has been adopted by the two Boards, and has the approval of the General Synod. We believe that the work of the two Boards will be consolidated in 1940.

WOMAN'S MISSIONARY SOCIETY

an's Missionary Society of General Synod came to its close with the 18th Triennial Convention and the observance of the 50th anniversary, May 31 to June 4, in Grace Church, Akron, Ohio, the Church in which organization had taken place June 2, 1887. The significance centered in the twodirection interests which claimed the attention of officers and delegates. Growing out of the anniversary was the desire to give thanks for the blessings which had attended the 50 years and ent five officers and 10 members of the Board of

A significant year in the history of the Wom- to observe the event with due ceremony and appropriate program. At the same time, every woman was merger-conscious, and eager to lay plans for the work ahead. The circumstances which brought the anniversary into the very time when the merging of the Reformed Church into the Evangelical and Reformed Church provided the challenge for a united women's work, gave the anniversary its unique atmosphere of expectancy.

Of the total registration, 341, there were pres-

the Evangelical Women's Union, with missionaries and Board representatives taking part in the program. Thus the 50th anniversary became the gateway into service through what shall be the women's national organization, The Women's Guild of the Evangelical and Reformed Church. Preparations were made looking toward early autumn, 1939, as the time for formal organization, allowing from 1939 to 1941 for completion.

In every detail the 50th anniversary reached highest expectations. Grace Church, the Rev. Orris W. Haulman, D.D., pastor, had left no unfinished ends. Thus the program, filled with a large variety of demands, moved smoothly through every phase from business to pageantry. Reports brought encouragement. We quote the following: Love Gifts from all the Classes reached the total of \$52,361.91. In 1932 each Society had been challenged to bring an anniversary gift. Each Society had the privilege of designating for what purpose the gift should be used. Most interesting is the perusal of the list of beneficiaries. The treasurer reported total contributions for the year, \$123,961. The historical brochure, "The First Fifty Years," was prepared for the anniversary. A pageant, "Pilgrims of the Way," written by the historian, Mrs. Irwin W. Hendricks, combined allegory and tableaux to give history and challenge. Of the specially designed Prayer Calendars, more than 13,000 were sold. Continued interest in the suggested Reading Course, an increase in subscriptions to the Outlook of Missions, more Societies and Girls' Missionary Guilds using the program packets and reading packets, with the addition of 158 Life Members and 71 Members in Memoriam—these were encouraging facts. Since the organization of the Life Member and Member in Memoriam Department there have been enrolled 1,907 Life Members and 990 Members in Memoriam. Total amount of fund is \$67,775. The interest of the fund is used for educational purposes, i.e., free literature and special educational courses for missionaries home on furlough, etc.

In view of the changes about to take place in the organization, by special action, the officers were re-elected as follows: President, Mrs. F. William Leich; vice-presidents: Mrs. L. L. Anewalt, Mrs. D. J. Snyder; recording secretary, Mrs. D. E. Remsberg; corresponding secretary, Mrs. M. W. Babo; treasurer, Miss Mathilde Berg.

An era has been completed. In the retrospective view our history is as a stream, freshened and deepened by inflowing tributaries. For the Woman's Missionary Society these have been the influences from association with denominational and interdenominational endeavors and personalities—influences which have given the urge to "begin at Jerusalem" and "go to the ends of the earth."

THE WOMEN'S UNION

"Living Creatively with Christ in the Community," the emphasis for 1938, manifests itself in varying activities in many communities. It is bringing the Kingdom of God into the place through the service of our women.

Checking the number of local societies within a Federation and within Regional Conference boundaries has been the first step in a Membership Enlistment. The second step is the appeal for members for the Sustaining Membership, and the third step is to encourage every local society to follow up the Fellowship in Christ Visitation of 1937 with a vigorous Membership Enlistment. The success of the latter is still in embryo at this

writing, but high hopes for the enlistment of many of our younger women are entertained.

The Thank-offering for 1939 is being divided among the three Boards as formerly, Home Missions, Foreign Missions, and Pension and Relief, although the projects vary so that the women of the Church may have a share in all the work of the Church. The following causes will receive contributions in proportion to their need and the resources through the Thank-offering: Ozark work, Oak Street Chapel at Biloxi, Winnebago Indians, Interdenominational Indian Work and Migrant work, Evangelistic work at Chandrapur, India, Educational work in San Pedro Sula and Pinalejo,

Honduras, toward the support of the missionary in Africa, and the Relief of the Pension and Relief. May God add his blessing unto the gifts. Steady growth in all departments are evident and the Women's Union can write another page of advancement and success for the year of 1938 upon its annals.

With the year 1939 the organization launches an emphasis on the home, through the third chal-

lenge from the Sixth National Convention, "Living Creatively with Christ in the Home." Parent Training Classes, Family Devotions beginning on Mother's Day, and a "Family-go-to-Church Month" in June are to be encouraged.

The Day of Prayer for Missions, on Ascension Day, May 18, 1939 is a project of the entire Church and should be observed by every society.

The Board of Directors takes grateful recognition of the fact that the Women's Union Student Aid Fund has reached the \$12,000.00 mark. This amount is in a revolving loan fund for students preparing for full-time service in the Evangelical and Reformed Church, at Elmhurst and Eden.

All eyes are focused to the high point of 1939, namely, the Merger Convention, to be held in November. A copy of the set-up of the Women's Guild has been distributed for study. By 1941 the women of the Church hope to have one united voice, thought and action for the service to the Lord and Master, Jesus Christ.

THE CHURCHMEN'S BROTHERHOOD

The Churchmen's Brotherhood is full of growing vigor and vitality. Fifty new chapters have been organized since the merger, 75 percent of these in our Eastern territory. We feel confident that we have just begun our expansion East and West, and that during 1939 we will register our greatest growth in numbers, and we trust in usefulness. Numbers and statistics are valuable only as stimuli to greater effort and activity on the

part of the administrative officers and individual chapters. With growth in understanding of the principles and purposes of our authorized men's organization and the increasing good will on the part of our pastors and laymen, our cherished hope of having a chapter in every congregation, thus bringing the 200,000 men of our Church into organic relationship with one another and promoting spiritual unity among them, can be realized.

Christian men stand upon a higher level and are committed to higher standards of Christian living than are those outside of the Church. Christ lifts men to prominence and to a superior eminence among their fellow men. The Gospel of Christ, as it is rooted in a man's life, and the Church itself have in them elevating tendencies and a wealth of spiritual dynamics. You cannot keep any man down and in the valley of depression when once his spirit has scaled the heights, where Christ stands and to which the Church is leading men. A true Churchman will never feel at home in the lowlands of sin and in the bottoms of a selfish and sensual life and will never be satisfied with a social order that is so conspicuously unchristian.

Our Churchmen are proving their quality. Everywhere you will find them occupying positions of trust and leadership in the consistories, Church Schools, denominational boards and institutions and community. When properly traced one can find the advance moves in Churchmanship, Church attendance, evangelism, missionary activity, Christian Education and Stewardship, social betterment, in movements for industrial understanding and world peace, and in international understanding and world citizenship, directly coming forth from the inspirational center of our Churchmen's Brotherhood.

Only a small mind will want to gauge the value of this important work in the terms of dollars and cents contributed to the treasuries of our Church boards and institutions. Christian men produce more than money; they produce Christian manhood and spiritual man-power. What our Churchmen's Brotherhood wishes primarily to accomplish is to grow greater men, and to have them apply their growing faith and strength in the service of Christ and for the advancement of the Kingdom of God along all spiritual and social lines. The world needs this urge and leadership of Christian men more than the might of such men as those who command armies and navies and air squadrons for selfish purposes and for national glory. Life, at its best, consists in spiritual values and a regimentation by the love of Christ as the basis of true Brotherhood.

During 1939 the president, members and secretaries of our National Board, who are working in the utmost harmony, have set for themselves a

number of goals such as these: To have the men of our Churches hear and heed the call of Christ and to share in the task of winning the world to a higher form of thinking and living and action; to have the men appreciate, support and attend the Church; Protestant men must give greater attention to Christian worship and work; through them to build Christian homes and fix the highest standards of piety, fidelity and sobriety in the home; to re-establish the family altar in every home; to bring the young men into fellowship with the adult generation and thus to provide successorships in Christian leadership and service; through the study of monthly topics and discussion of present-day problems and through fellowship of thought to strengthen the Christian viewpoint and give to them a Christian philosophy of life, as becomes Christian men; to show them the way in which to make their Churchmanship count by supporting and making effective the entire denominational program as framed by the General Synod. Every man should have a definite part in the program of the whole Church, its boards, institutions and agencies.

The one outstanding meeting of the Brotherhood for 1939 will prepare for the National Convention to be held in Chicago in 1940. Definite plans and elaborate preparations are being made for this great meeting by a representative and vigorous local committee of the National Board under the direction of George F. Bartels, one of our most active young Churchmen in that great metropolis of the Middle-West.

May we have the prayers, good will and support, not only of our men, but of every member of our great and growing Church, East and West, as we go forward with highest hopes to prove the worth-whileness and the effectiveness of the Churchmen's Brotherhood in 1939. This will be a year when two great expositions will be held in the United States: at New York and San Francisco. May we as men and members of the Church exhibit and prove our love as never before to Christ and our loyalty to the Church we love and would prosper with all our spiritual might.

Respectfully submitted,

A MONUMENT TO 80 YEARS OF SERVICE

Our Home cares for children who because of the loss of one or both of their parents have been deprived of the care of their own home.

Proper housing, food, clothing, medical service, secular and Christian education, and other provisions for keeping our children physically, morally, and spiritually fit are provided. All of this service leads our boys and girls into happy, co-operative independent citizens, able to give to society, and to gain from it, as much real value as children reared in good private Christian homes.

Ninety percent of our monetary maintenance is charity. We therefore sincerely solicit your gifts and your bequests for our Home, which is NEEDY and worthy of the supports of its friends.

Give of thy wealth and self to speed them on their way;
Pour out thy soul for them in prayer victorious,
And all thou spendest Jesus will repay."

HOMEWOOD

"Old Folks' Home of the Potomac Synod of the Reformed Church in the United States, Incorporated"

> 1805 Virginia Ave. Hagerstown, Maryland

was made possible through the generosity of the late Mr. George C. Pearson, of Smithsburg, Md., who left the residue of his estate to establish such a Home. The Home was incorporated September 22, 1930, and is supported chiefly from the Pearson Estate.

Homewood cares for seventeen guests, but many needy are on our waiting list. Our old people have supported our church in their younger years, now let us support them in their latter years. Our present need is equipment for present building,—and a new building—cost about \$50,000. Splendid opportunity for a memorial.

Rev. W. R. Hartzell, Supt.
